

Dear Parent/Guardian,

As a parent or guardian of a student in Amani Public Charter School, you have the right to know the professional qualifications of the classroom teacher(s) who instruct your child. Federal law requires us to give you the following information about your child's classroom teacher(s) in a timely manner upon request:

- Whether the New York State Education Department has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the New York State Education Department has decided that the teacher can teach in a classroom without being licensed or qualified under state regulation because of special circumstances.
- The teacher's college major and whether the teacher has any advanced degrees or certifications and, if so, the subject of the degrees or certifications.
- Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of the above information, please call the school at any time.

Sincerely,

Debra Stern  
Executive Director
